DESCRIPTION:

Unique to NMB, our Digital Adbikes create a dynamic opportunity to those who want street level advertising aspects – but have a more detailed message to convey to the public.

These units are perfect for movie promotions, gaming promotions or just general branding campaigns where an advertiser wants to take their TV message to the great outdoors.

All of our Digital Adbikes offer twin 46" monitors with full sound capabilities.

What a way to captivate attendees at your next trade show!
